

# Alex Jones to Appear on Logan Paul's Podcast | Intelligencer

By Madison Malone Kircher

April 10, 2019

A little over a week ago, hoaxer and InfoWars host Alex Jones gave a sworn testimony in which he blamed the media for giving him a “form of psychosis” that caused him to tell anybody who would listen that the shooting of 20 children and 6 adults at Sandy Hook Elementary School did not happen. This week, it seems Jones will be making an appearance on Logan Paul's podcast, *Impulsive*. Paul tweeted a video clip of Jones in the studio with him captioned, “tomorrow on impulsive?” It sure looks like Jones will at the very least have a cameo on the show.
