System Set Up to Fight Fake News During U.S. Presidential Election | Variety

By Naman Ramachandran
July 16, 2020

> Fake news fighter Trusted News Initiative (TNI) is setting up a shared early warning system of rapid alerts to combat the spread of disinformation during the upcoming U.S. Presidential election.
>
> The Associated Press and The Washington Post are the latest signees to TNI, an industry collaboration of major news and global tech organizations set up last year to stop the spread of disinformation. TNI partners include AFP, BBC, CBC/Radio-Canada, European Broadcasting Union, Facebook, The Financial Times, First Draft, Google/YouTube, The Hindu, Microsoft, Reuters, Reuters Institute for the Study of Journalism, Twitter and The Wall Street Journal.
