

The Harm of Spanish-Language Disinformation | The Takeaway

By The Takeaway

December 10, 2021

In 2020, Latinx voters registered and voted in record numbers, now making them the second largest voting bloc in the U.S. Many of these voters are being targeted online with disinformation. Stephanie Valencia, co-founder and president of Equis Research and Nora Benavidez, senior Counsel and Director of the Digital Justice & Civil Rights division of Free Press join us to discuss this problem and potential solutions.
