

# Astroworld disaster fuels wave of satanic conspiracy theories on TikTok | The Guardian

By Kari Paul

November 9, 2021

Videos of the Astroworld crowd crush that killed [eight people](#) flooded TikTok over the weekend. But conspiracy theories have also flourished alongside the graphic footage, accusing the rapper Travis Scott, who founded and performed at the festival, of orchestrating a massive satanic ritual.

“This ain’t a festival, it’s a sacrifice,” reads one typical comment. “The music industry is demonic and collects souls,” reads another comment with 34,000 likes.
