

Beijing's Global Megaphone | Freedom House

By Sarah Cook

January 15, 2020

The Chinese Communist Party and various Chinese government entities have long sought to influence public debate and media coverage about China outside the country. New research illustrates the ways in which CCP's media influence is extending far beyond the borders of mainland China to reach audiences around the globe, via three key tactics: global censorship, propaganda, and control over content-delivery systems.

[...]
