

How Coronavirus Scammers Hide On Facebook And YouTube | [bellingcat](#)

By Robert Evans

March 20, 2020

On March 16th, 2020, [virtually every major social media company](#) released a joint statement on their efforts to curb the spread of disinformation about the coronavirus pandemic.

As of the writing of this article, the top comment on [Facebook's Twitter post](#) of this statement is, itself, a piece of disinformation, furthering the conspiracy theory that COVID-19 is a bioweapon cooked up by the Chinese government.
