

# China's Unleashing a Propaganda 'Wolfpack' on Twitter – Even Though Citizens Go to Jail for Tweeting | VICE

By David Gilbert

May 15, 2020

Just before midnight, on Sunday, June 9, last year, Zhang Jialong tweeted a picture of his one-day-old daughter lying in a hospital cot, wrapped in layers of pink.

“Every life is precious,” Zhang said.

That was Zhang's final message on Twitter, but over two months later, on August 12, police arrived at his home in Guiyang, a city in central China, and arrested him.

[...]
