

Digital News Report 2025 | Reuters Institute for the Study of Journalism

By Nic Newman

June 24, 2025

Overview

This year's report comes at a time of deep political and economic uncertainty, changing geopolitical alliances, not to mention climate breakdown and continuing destructive conflicts around the world.

Against that background, evidence-based and analytical journalism should be thriving, with newspapers flying off shelves, broadcast media and web traffic booming. But we find traditional news media struggling to connect with much of the public, with declining engagement, low trust, and stagnating digital subscriptions. | [Start reading](#)
