Jonathan Rauch, a senior fellow at the Brookings Institute, spoke with CNN's Brian Stelter on Sunday to explain the ultimate goal of President Donald Trump's false accusations of a rigged and stolen election.

Rauch was asked by Stelter if the issue is Trump is simply trapped in the delusion that he actually beat President-elect Joe Biden in the 2020 election.

"Is delusion a fair word for these election lies?" Stelter wondered.

"No, actually, I don't think it is," Rauch replied.
