

Fact-checkers use new tools of engagement to fight fast-moving hoaxes | Poynter

By Harrison Mantas

June 11, 2020

Fact-checkers across the globe are using audio, video and new social media channels to reach readers eager for credible and accessible information about COVID-19.

Irish news website [TheJournal.ie](https://www.thejournal.ie) developed a WhatsApp channel in mid-March in response to a wave of false claims the month before

[...]
