

Generative AI and Copyright: An Interview with Jonathan Band | Association of Research Libraries

By Judy Ruttenberg

February 16, 2023

For [Fair Use/Fair Dealing Week 2023](#), Association of Research Libraries (ARL) senior director of Scholarship and Policy, Judy Ruttenberg, interviewed Jonathan Band, counsel to the [Library Copyright Alliance \(LCA\)](#), which consists of ARL and the American Library Association (ALA). Band drew on his deep substantive knowledge of the application of copyright law to information technology to share his views on fair use and artificial intelligence in this brief interview.
