## Google gives \$6.5 million to fact-checkers, misinformation nonprofits | Axios

By Sara Fischer April 2, 2020

Google said that it's providing more than \$6.5 million in funding to fact-checkers and nonprofits fighting misinformation around the world, with an immediate focus on the coronavirus.

**Why it matters:** Google wants to be <u>proactive</u> throughout the coronavirus crisis to support the spread of accurate and safe information.

[...]
