

# Guidelines for the Governance of Digital Platforms | UNESCO

By UNESCO

November 30, 2023

UNESCO aims to ensure that everyone's freedom of expression, access to information and diverse cultural content are fully guaranteed, while various stakeholders, including Member States, deal with the problems of dis- and misinformation and hate speech online. These problems will be better addressed, in a way that aligns with international human rights law, through implementing the UNESCO Guidelines in a comprehensive and coherent manner.
