

How A Pro-Trump Local News Site Pushes Election Misinformation | NPR

By Stephen Fowler

July 6, 2021

If you don't follow politics in Georgia closely — or even if you do — you might be forgiven for not knowing much about *The Georgia Star News*.

Founded just after the November election when President Biden narrowly flipped the state by about 12,000 votes, it looks like a regular news website with a lifestyle section, a widget for the weather and stories about local and national goings-on.

[...]
