

# How the Way We Think Drives Disinformation: An International Forum Working Paper | National Endowment For Democracy

By Samuel Woolley & Katie Joseff

January 9, 2020

The National Endowment for Democracy's International Forum for Democratic Studies is pleased to announce the release of a new working paper, "Demand for Deceit: How the Way We Think Drives Disinformation," authored by Samuel Woolley and Katie Joseff.

This publication is part of an International Forum [working paper series](#), examining the dynamics and impact of resurgent authoritarian influence in the era of globalization, including through networked transnational kleptocracy and manipulation of the global information space. For more on these themes, visit the Forum's blog, [Power 3.0: Understanding Modern Authoritarian Influence](#), and its related [podcast](#).
