

INNOVADE launches the Interdisciplinary Knowledge Base on Digital Democracy

By Christian Fuchs, Kevin Friesch, Joel Museba (Paderborn University); Laurien Coenen, Victor Werimo (KU Leuven); Octavio Barriuso Varela, Andrés del Alamo Cienfuegos (Fundación Cibervoluntarios); Hasan Suzen (Hybrid Core), Fatih Yilmaz, Derek Metivier, H. Turner (Beyond the Horizon)

September 15, 2025

On the occasion of the International Day of Democracy (15 September 2025), the INNOVADE project announces the release of its Interdisciplinary Knowledge Base on Digital Democracy ([10.5281/zenodo.17079016](https://doi.org/10.5281/zenodo.17079016)). This extensive report presents foundations of the analysis of digital democracy. It offers a comprehensive overview of how digital technologies are influencing democratic practices.
