

Job Opportunity: Research Manager, Propaganda Research Lab | The University of Texas-Austin

By The University of Texas-Austin

July 6, 2021

Job Description:

Research Manager will support the research, growth and grant funding of the Propaganda Research lab in the Center for Media Engagement. The position is based on grant funding and currently ends June 1, 2022. The position is eligible for renewal pending funding and performance.

Job Details:

This position is based on grand funding and is currently scheduled to end June 1, 2022. The position is eligible for renewal pending additional funding. Position is remote until 2022 and in a hybrid model so candidates must have reliable internet access and a suitable workspace. Candidates must be authorized to work in the US.
