

Knight Institute Joins Coalition of Tech Policy and Civil Liberties Groups Calling on Congress to Oppose New Federal TikTok Ban | Knight First Amendment Institute

By Knight First Amendment Institute

March 27, 2024

The Knight Institute and 23 other free speech, tech policy, and civil liberties organizations today sent a letter to the House of Representatives urging it to oppose the recently introduced federal [TikTok Ban](#). The groups argue that the ban would violate the First Amendment rights of millions of Americans who use TikTok as a major communications platform, and call on Congress to instead pass comprehensive privacy legislation. Read the signed coalition letter [here](#).
