

LaborTech Annual Awards For Book, Graduate Student Paper, and Social Justice Activism | LaborTech

By LaborTech

May 12, 2025

As part of our mission to promote scholarship and activism towards more equitable forms of labor and technology, LaborTech hosts three annual awards — Book, Graduate Student Paper, and Social Justice. These honor projects which:

- Have distinctive intellectual merit or activist impact;
- Advance the knowledge about labor and technology in the global society; and
- Address our core focus on labor and technology and which may simultaneously address feminism, anti-racism, and/or transnationalism.
