

Listen: The Comforting Appeal of Conspiracy Theories | The Atlantic

By James Hamblin and Katherine Wells

May 19, 2020

On this episode of *Social Distance*, James Hamblin and Katherine Wells talk with Adrienne LaFrance, the executive editor of *The Atlantic*, who wrote [the June cover story](#), about the QAnon conspiracy theory, as part of “[Shadowland](#),” a project about conspiracy thinking in America. They discuss the viral disinformation campaigns creating even more uncertainty about COVID-19.
