

# Mainstreaming Resentment: YouTube Celebrities and the Rhetoric of White Supremacy | Items

By Cindy Ma

July 26, 2021

Ashli Babbitt, the woman shot and killed January 6 by Capitol police officers, “did not look particularly radical,” according to Tucker Carlson, who covered the event on his Fox News show the following day. “She bore no resemblance to the angry children we have seen wrecking our cities. Pasty, entitled, nihilists dressed in black, setting fires, spray painting slogans on statues.”
