

My Effing First Amendment | This American Life

By NPR

May 7, 2018

This extreme political moment is playing out on college campuses, places that are already at the extreme end of politics. Outside groups are getting involved, helping conservatives fight back against angry liberals on campus. Producer Zoe Chace tells Ira about a conference she went to, hosted by Turning Point USA, where students get trained on how to fight these battles. (11 minutes)
