

New Zealand Official Calls Facebook ‘morally bankrupt pathological liars’ | Business Insider

By Rosie Perper

April 8, 2019

New Zealand’s privacy commissioner lashed out at Facebook, calling those behind the company “morally corrupt pathological liars.”

“Facebook cannot be trusted,” John Edwards, Privacy Commissioner of New Zealand, said in a series of now-deleted tweets over the weekend.

“They are morally bankrupt pathological liars who enable genocide,” he wrote, referring to [Facebook’s admission in November](#) that it failed to prevent the social network from being used to incite violence in Myanmar.

In a since-deleted tweet, New Zealand Privacy Commissioner John Edwards lashed out at Facebook, calling those behind the company “morally corrupt pathological liars.”
