

Power, Platforms and Politics: Asian Americans and Disinformation | Asian American Disinformation Table

By Asian American Disinformation Table

October 17, 2022

This report offers a preliminary landscape analysis of mis- and disinformation within and about Asian/Asian American diasporic communities with the aim of strengthening Asian American movement building.

Researching and organizing against disinformation in Asian American communities requires nuanced understandings of relations of power; the numerous platforms and ethnic media outlets that communities use; and multiple languages and cultural and political contexts.
