

# Russian Trolls Are Only Part of the Problem | The New York Times

By Nina Jankowicz

January 26, 2018

It's refreshing to see that [social media] companies have finally realized their culpability in the spread of online disinformation. But their solutions to the phenomenon overlook homegrown purveyors of it. The companies have misplaced their focus in the fight, concentrating too heavily on removing Russian content while ignoring the problematic articles and posts created and shared by American outlets and users.
