Dr. Vivek Murthy also demanded information from the platforms about the major sources of Covid-19 misinformation. Companies have until May 2, 2022, to submit the data.

"This is about protecting the nation's health," said the surgeon general, Vivek Murthy.

President Biden's <u>surgeon general</u> on Thursday formally requested that the major tech platforms submit information about the scale of Covid-19 misinformation on social networks, search engines, crowdsourced platforms, e-commerce platforms and instant messaging systems.

A request for information from the surgeon general's office demanded that tech platforms send data and analysis on the prevalence of Covid-19 misinformation on their sites, starting with common examples of <u>vaccine misinformation documented</u> by the Centers for Disease Control and Prevention.
