

The Covid vaccine map looks a lot like the election map | CNNPolitics

By Zachary B. Wolf

December 8, 2021

Americans have a common enemy in Covid-19. Cases and hospitalizations are once again rising around the country.

But the nation's leaders continue to have opposing ideas about how to fight that enemy.

We've written before, repeatedly, about the divide between red and blue states in dealing with the pandemic — usually on masks and vaccines.

The latest news makes it worth revisiting.

[...]
