

The unique role of Fox News in the misinformation universe | The Washington Post

By Philip Bump

November 9, 2021

You will probably not be surprised to learn that [Republicans are far more likely](#) than Democrats to believe false claims and conspiracy theories centered on the coronavirus vaccines and the pandemic broadly. You will also probably not be surprised to learn that people who trust information about the pandemic from conspiratorial far-right networks such as One America News and Newsmax are much more likely to embrace conspiracy theories than people who watch network news, according to [new polling](#) from the Kaiser Family Foundation (KFF).
