Tell someone that talk show host Ellen Degeneres is under house arrest for child trafficking, an actual false rumor that spread across social media in March 2020, and most people would chalk it up to nonsense and move on. Not Sara Aniano. The 31-year-old graphic designer, who works at Monmouth University in West Long Branch, New Jersey, heard this debunked conspiracy theory from a friend and thought it was so crazy that she simply had to learn more.
