

# TikTok stars receive White House briefing on Ukraine | The Washington Post

By Taylor Lorenz

March 11, 2022

On Thursday afternoon, 30 top TikTok stars gathered on a Zoom call to receive key information about the war unfolding in Ukraine. National Security Council staffers and White House press secretary Jen Psaki briefed the influencers about the United States' strategic goals in the region and answered questions on distributing aid to Ukrainians, working with NATO and how the United States would react to a Russian use of nuclear weapons.
