

Troll Watch: Disinformation Around Impeachment Hearings | NPR

By Michael Martin

November 18, 2019

NPR's Michel Martin speaks with Karen Kornbluh, senior fellow at The German Marshall Fund, about disinformation campaigns related to the impeachment hearings.

MICHEL MARTIN, HOST:

The first two public hearings in the impeachment inquiry this week generated a lot of online response, as you might expect. But we wondered if the hearings also generated a new round of online disinformation. That is today's topic for our regular segment we call Troll Watch.
