

# Trump vs. the media: How he's using his war on the press to deny his coronavirus failings | Vox

By Peter Kafka

April 17, 2020

Americans [don't trust the government, and they don't trust the media](#). That trend has been evident for years, but the Trump era has accelerated it.

Now we can see the worst-case scenario that trend could create, playing out in front of our eyes: Confronted with a paralyzing coronavirus pandemic, there's deep confusion about the steps the country should be taking to respond.

[...]
