> On Sunday, Twitter deleted two tweets by Brazilian President Jair Bolsonaro because they contained false or misleading information about COVID-19, the disease caused by the novel coronavirus.
>
> "Twitter recently announced the expansion of its rules to cover content that could be against public health information provided by official sources and could put people at greater risk of transmitting COVID-19," a spokesperson for the platform told BuzzFeed News.
>
> The deleted tweets now redirect to Twitter's rules and policies page.
