

# Watch now: Media accountability in a world of disinformation | Bulletin of the Atomic Scientists

By Halley Posner

June 28, 2021

Watch the Bulletin virtual program “Media accountability in a world of disinformation” featuring Laura Lindenfeld and Alan Miller in conversation with Paul Cheung.

Hear how we can identify and combat growing disinformation, then read more about how to dial back a disinformation dystopia in the Bulletin’s May/June magazine and listen to all of our virtual programs.

Laura Lindenfeld is the executive director of the Alan Alda Center for Communicating Science, the dean of the School of Communication and Journalism, and the vice provost for academic strategy and planning at Stony Brook University. At the Alda Center, Lindenfeld oversees an international leader in science communication training, research, and education.
