

We Just Witnessed the Dangers of the Autocratic Disinformation Playbook | Union of Concerned Scientists

By Genna Reed

January 11, 2021

Even with all the warning signs that something like this could happen, there was nothing that could have mentally prepared us to watch a mob storm the halls of the US Capitol building this week, disrupting a process that is a constitutional function and threatening the safety of hundreds of elected officials and staff.

But sadly these events were a predictable outcome of an autocrat's deadly disinformation spiral.

[...]
