

We Studied Thousands of Anonymous Posts About the Parkland Attack — and Found a Conspiracy in the Making | The Washington Post

By Craig Timberg and Drew Harwell

March 1, 2018

Forty-seven minutes after news broke of a high school shooting in Parkland, Fla., the posters on the anonymous chat board 8chan had devised a plan to bend the public narrative to their own designs: “Start looking for [Jewish] numerology and crisis actors.”
