

Wikipedia and W.H.O. Join to Combat Covid-19 Misinformation | The New York Times

By Donald G. McNeil Jr.

October 26, 2020

As part of efforts to stop the spread of false information about the coronavirus pandemic, Wikipedia and the World Health Organization announced a collaboration on Thursday: The health agency will grant the online encyclopedia free use of its published information, graphics and videos.

The collaboration is the first between Wikipedia and a health agency.
